## INNOVATIVE DESIGN

04

Undeniably innovative, Bold Drinkware pairs the incredible clarity, shine, and robust performance of polycarbonate with refreshingly unique and innovative designs unavailable anywhere else.

## INCREDIBLE INSULATION

05

Cold drinks stay cold longer and iced drinks are less diluted as Bold Drinkware's premium polycarbonate naturally insulates 4x better than glass. Combined with its exceptional durability and stunning designs, Bold Drinkware is the most luxurious way to enjoy cocktails on the rooftop, by the pool, or when dining outdoors.

## FDA APPROVED

06

Bold Drinkware has been independently certified by the FDA and SGS (recognized as a global benchmark for quality and integrity in independent testing,) as safe for food contact and far exceeds any testing requirements.

## SUSTAINABLE SOLUTION

07

Polycarbonate stands out as an environmentally friendly choice, virtually unbreakable, reusable, and recyclable. Bold outshines other drinkware options that are either disposable or necessitate frequent replacement due to breakage.
